REPORT OF THE COMMITTEE OF THE MELBOURNE ATHENÆUM,

FOR THE YEAR 1883.

The Committee of the Melbourne Athenæum submit to the members the following Report:—

1. The gross receipts for the year amount to £2830 5s. 4d. as against £2757 11s 10d. last year.
2. The total number of members on the roll is 1330, and the amount of their subscriptions was £1355 19s. 6d.
3. The receipts from the Large Hall are still increasing. It has yielded a revenue of £900 6s. 6d. during the year.
4. The Small Hall has brought in £272 13s. 1d.; the Offices £165; and the rooms, £102 18s. 6d.
5. The total expenditure for the ordinary purposes of the Institution was £2114 10s. 4d., of which amount £559 11s. 6d. was for books, magazines, and newspapers; and £77 10s. 3d. for binding.
6. The number of books added to the Library was 590, and extra copies have been supplied of the most popular serials.
7. The loan on mortgage has been further reduced by £500, leaving £4500 still to be paid.
8. As you are already aware, a special meeting of members was held on Wednesday, 24th October, 1883, to receive your Committee's Report with reference to the proposed new buildings. It was resolved that the Architects be instructed to prepare detailed plans, on the lines of sketch plans submitted to the meeting, and to call for tenders. In the event of any approved tender being within the estimated cost of £13,000, and of the money being obtainable at a rate not exceeding 5½ per cent. per

annum, it was resolved that another meeting be held for the purpose of giving the necessary authority to borrow the money to carry out the work. The Architects are now preparing their plans, and the tenders will soon be called for.

9. The use of the electric light in the reading rooms has given great satisfaction. In the library it is attended with the further advantage of removing the danger of damage to the binding of the books on the upper shelves from the great heat caused by the gas.

MELBOURNE ATHENÆUM

LIBRARY & READING ROOMS,

COLLINS STREET EAST,

Immediately above the Town Hall, and opposite "The Argus" Office.

IN the principal Reading and lower News Rooms will be found Newspapers from all parts of Victoria and the neighbouring colonies. The leading London and Provincial Papers are laid on the tables immediately on the arrival of the English Mail Steamer.

The supply of Magazines and Periodicals—scientific, artistic, literary, and amusing—is most complete, and includes every Publication of note, either Home or Colonial. Of the more popular, as many as six copies are supplied; these may be borrowed by members.

There is a separate Reading Room for Ladies, supplied with suitable Newspapers and Periodicals. Subscription per annum, Ten Shillings.

The Library is divided into two departments—the Circulating Library and a Library of Reference. The former contains between 15,000 and 16,000 volumes, which are lent to members and their families. New works are being constantly added. To many the Library of Reference will be found of value, as it contains Files of Home and Colonial Newspapers for thirty years back; also such Works of Reference as Parliamentary Proceedings, Gazettes, Encyclopædias, Men of the Time, Directories, the best Etymological and Scientific Dictionaries, &c., &c.

The Reading Room is open daily from 8 a.m. to 10 p.m., Sundays and Public Holidays excepted.

The Library is open from 8.30 a.m. to 9 p.m.

On Saturdays the Library is closed at 2 p.m.

The Subscription to the Institution, entitling a member to the whole of these advantages, is £1 1s. per annum, 12s. 6d. half-yearly, or 7s. 6d. quarterly; Life Membership, ten guineas. No Entrance Fee is charged. Members can join at any period of the year.

Any further information may be obtained from 10 to 12 in the morning and 4 to 6 in the afternoon, on application at the Institution to

J. H. B. CURTIS,

Secretary.
