REPORT OF THE COMMITTEE

OF THE

MELBOURNE ATHENÆUM,

FOR THE YEAR 1884.

1. The Committee of the Melbourne Athenæum beg to report that the financial transactions of the Institution during the past year were very satisfactory.

2. The gross receipts of the year amount to £2823 16s. 4d., of which sum the members' subscriptions yielded £1360 18s., the Large Hall £889 4s. 6d., the Small Hall £238 8s., the offices in the front portion of the building £214, and the class rooms £81 15s. 5d.

3. The gross expenditure amounts to £2159 5s. 8d. The principal items are £589 9s. 11d. for books, magazines and newspapers, £243 3s. 11d. for lighting, £212 10s. for Interest, and £140 3s. 4d. for binding.

4. The loan on mortgage has been further reduced by £500, leaving £4000 still to be paid.

5. The number of the books added to the Library was 711. The total number of works issued to the subscribers was 35,129 and 7231 magazines.

6. The working plans and specifications of the new building have been completed by the Architects, and tenders for its erection called for, which will be submitted to you in the course of a week or two.

7. Owing to an increase made in the charge for the electric light, your Committee have directed its discontinuance in the Library and News room; but in the reading room, which is frequently crowded with readers, it has been found to be so much cooler than gas that it is still continued there.
