REPORT OF THE COMMITTEE

OF THE

MELBOURNE ATHENÆUM,

For the Year 1890.

The Committee of the Melbourne Athenæum have the pleasure of presenting the members with the report of the transactions of the past year.

The revenue has not reached the average of the past few years. This is no doubt to be attributed, in a great measure, to the causes which have had a similar effect on the finances of many other public institutions.

It will be seen from the Balance Sheet that the gross receipts for the year amounted to £3997 10s. 1d., and the expenditure to £3822 2s., giving a surplus of £175 8s. 1d., and bringing the cash balance up to £4040 15s. 7d. Of the last mentioned sum, £3925 is deposited at interest.

The following are the details of the receipts:—Subscriptions, £1436 19s. 6d.; rent of large hall, £702 15s. 6d.; small hall, £260 3s.; rooms, £239 11s.; front shops, £1165; sales, £19 13s. 2d.; interest, £173 7s. 11d.

The principal items of expenditure are:—Salaries and wages, £1031 10s.; interest on mortgage, £990; books, magazines and newspapers, £678 8s. 6d.; repairs and furniture, £355 12s. 3d.; lighting, £273 19s. 4d.; rates, £127 10s.; binding, £92 18s. 3d.

Despite the casual decrease in the receipts, the Committee deemed it their duty to add to the attractiveness of the Institution, by having the whole of the new portion of the building painted and decorated. The cost was £270.

The number of members on the roll is 1492, of whom 316 joined during the year.

The number of books added to the Library during the year was 670; the total number of works issued to subscribers was 30,699, and 7142 magazines.

It is with extreme regret that the Committee have to record the death of the Hon. William Bates, who for some years was an energetic member of the Committee, and was Chairman of the House Sub-Committee at the time of his decease.

The President, Vice-President, and the following members of the Committee retire from office, but are eligible for re-election, viz.:—Messrs. Barlow, Danson, Downward, Elkington, Harlin, Lush, and Millie. There is also a vacancy caused by the death of Mr. Bates.

In accordance with the wish expressed by some members at the last general meeting, a room was set aside as a smoking and chess room; very few, however, used it, and the Committee thinking it undesirable to continue to sacrifice the rent that could be obtained for the room, decided to close it.

* Mr. Ievers was absent from the colony for the greater part of the year, and Mr. Lush for more than three months. Professor Elkington met with an accident, which rendered him unable to attend.
