The Committee record with deep regret the death of Mr. Alderman Moubray, one of the Trustees. He was one of the oldest members of the Institution, always took a deep interest in its progress, and helped it in various ways, among which special mention should be made of the gift of the statue of Minerva, which adorns the façade of the building. They have also been deprived by death of the valuable services of Mr. Henry R. Fuge, who was a member of the Committee from the year 1867, was Treasurer for several years, and was a past President of the Institution; also of those of Mr. R. S. Danson, who was a member of the Committee for four successive years.

The vacancy on the Trust, caused by the death of Mr. Moubray, was filled by the election of Mr. Henry Meeks, one of the oldest members of the Committee. This election will have to be confirmed by you.

The vacancy on the Committee caused by the election of Mr. Ridley as Vice-President, was filled by the election of Mr. Martin Hood.

The President, Vice-President, Treasurer, and the following members of the Committee retire from office, but are eligible for re-election, viz. :—Messrs. Callaway, Hood, Ievers, Iliffe, Levi, and Sangster. There are also vacancies caused by the election of Mr. Meeks as Trustee, and by the death of Mr. Danson.

The mortgage on the real property of the Institution expires next April. It is the intention of the Committee to pay off at least £4000, and it is believed there will be no difficulty in renewing for the balance on favourable terms.

It is earnestly hoped that the subscribers to the Institution will not limit their interest to the use of the Library and the Reading Room, but will assist the Committee in their efforts to obtain fresh subscribers, and in other respects to promote the usefulness and prosperity of the Melbourne Athenæum.
