## REPORT OF THE COMMITTEE

OF THE

# Melbourne Athenæum,

For the Year 1893.

The Committee of the Melbourne Athenæum submit their report of the transactions of the past year.

Though the receipts for the year are below the average of more prosperous times, they are perhaps as much as could reasonably be expected during a period wherein almost every institution in the colony has been more or less affected by the long continued financial troubles.

In view of the decreasing income, the Committee have been reluctantly compelled to reduce the salary of the staff 10 per cent., and to initiate a plan of retrenchment in our expenditure generally, the effect of which will be more perceptible in the ensuing year, but will not in any way impair the efficiency of the Institution.

The following are the items of the receipts:—Subscriptions, £1004 12s. 6d.; rent of front shops, £704 10s.; rent of large hall, £494 10s.; rent of small hall, £198 13s. 6d.; rent of rooms, £194 0s. 8d.; sale of papers and catalogues, £15 2s. 6d.; interest £7 19s.

The principal items of expenditure are:—Salaries and wages, £1023 12s. 8d.; interest on mortgage, £700; books, magazines, and newspapers, £547 5s. 2d.; lighting, £258 2s. 7d.; rates, £139 2s. 6d.; repairs and goods, £82 5s. 11d.; binding, £76 5s. 3d.; insurance, £36 0s. 6d.

The number of members on the roll is 1036, of whom 126 joined during the year.

The number of books added to the Library during the year was 639; the total number of works issued to subscribers was 28,815, and 7057 magazines.

During the year, the Institution was deprived by death of the valuable services of Mr. Walter Thompson, jun., who filled the position of Auditor for many years. He was a son of Mr. Thompson, who was formerly Secretary of the Institution, and subsequently an energetic member of the Committee, and President for one year. The vacant auditorship was filled by the election of Mr. P. Rainey.

The President, Vice-President, Treasurer, and the following members of the Committee retire from office, but are eligible for re-election, viz.:—Messrs. Callaway, Davies, Hood, Levers, Levi, and Sangster.

It is earnestly hoped that the members of the Institution will endeavour to do their utmost to increase the roll of members, by each one introducing at least one friend as a new member during the year. This increase of membership, with the return of ordinary prosperity, which may reasonably be hoped for, will place the Institution in the prosperous condition of former years.

E. DOWNWARD,  
*President.*
